### Description

WP Job Manager Add-On WP Plugin Free Download

#### Job Alerts:

Allow registered users to save their job searches and create alerts which send new jobs via email daily, weekly, fortnightly, or monthly.

#### Application Deadline:

Enable job listers to specify a closing date for applications by adding a new field on the job submission form.

#### Resume Manager:

Resume Manager is a plugin built on top of WP Job Manager which adds a resume submission form to your site and resume listings, all manageable from WordPress admin.

#### Plugin Included:

wp-job-manager-alerts-1.5.6

wp-job-manager-application-deadline-1.2.5

wp-job-manager-resumes-1.18.6
