Yata? Grup Mix Vector Logo Free Download

Sün̄ta? A.?, the basis of Yata?, was founded in 1976 and it is the first foam factory in Anatolia. In 1979, our company started to produce foam mattresses as well as foam by increasing facility investments; Started production of spring mattresses in 1981, home textile products in 1987, sofabed and Living rooms in 1993, and improved its product range and strengthened the brand reliability with rich service approach and quality.

Having adopted customer satisfaction as a fundamental principle, Yata? is committed to providing long-term relationships with its customers by providing the best service to its customers, reflecting the latest innovations in its products by following the world fashion and latest trends in its field. As a young and dynamic company with its ever evolving technology and increased capacity, Yata? will continue to maintain its leader position in bedding, home textile, furniture and living rooms and will continue to establish the firsts. Yata? has gone through two different types of store structuring with changed and renewed showroom approach. These two types of showrooms allow Yata? to combine bedding and furniture expertise with contemporary retailing vision and offers the highest quality shopping experience to consumers.

Selected by Superbrands, an independent brand evaluation company operating in 48 countries around the world, Turkey's "superbrand" 2010, Yata? continue to increase its reach around the world with each passing year. Exporting to different countries around the world, Yata? is changing and evolving with its innovative and functional design approach.
