#### Yoast SEO V22.0 WP Plugin Free Download

Yoast SEO V22.0 is the most popular SEO plugin for WordPress. With over 5 million active installations, it is the go-to solution for website owners who want to improve their website's search engine rankings. Yoast SEO Premium offers even more features than the free version, making it an indispensable tool for website owners who want to get the most out of their websites.

#### Core Features of Yoast SEO Premium Plugin

Ad free: Yoast SEO pro version is completely advertisement free, you can see any type of ad in there which is a good feature.

Social Media Preview: It reveals how our submission will seem like when it's shared on social media websites Facebook and Twitter. You may even add a distinct picture of your individual alternative for each social website. Quick, this characteristic lets you customise your submit share look on social media.

Redirection Manager: Helps in redirecting Old URLs to new ones to stop 404 not discovered errors.

Multiple Focused Keyword: This permits you to add quite a few centred key phrases as many as 5. So, you'll be able to goal extra customers by optimizing your submission for a number of associated key phrases. The free version permits you to add just one centred key phrase.

Orphaned Content Filter: Yoast SEO Premium plugin creates one other tab referred to as orphaned content material within the posts web page in your WordPress dashboard. In this tab, all posts that by no means acquired any hyperlinks from different weblog posts or pages are listed.

Cornerstone Content Filter: It lists your highest-ranking posts or pages that you need to hold up-to-date within the cornerstone content material tab.

Internal Linking Suggestion: This reveals to you the hyperlinks or posts which are related to the present submission you're engaged on. You don't want to look at your website manually to search out associated hyperlinks for interlinking. That saves a lot of time.
