- Reports (.pdf)
- Custom Fields **NEW**
- Live Chatting
- Translation Ready

1.5

This is a smaller version of the Z Desk support tickets system interface shown in the main image. It includes the same search bar, 'Search the Solution' section, and 'Getting Started' section with three columns of links. A person icon is shown interacting with the interface. The version number '1.5' is displayed in the bottom right corner of the monitor area.

Z DESK

- Multiple Departments
- Ticketing System
- Email Notifications
- Knowledge Base
- Reports (.pdf)
- Custom Fields **NEW**
